kross

A modern office interior featuring a large, dark wood desk with a white cabinet base. A glass extension is attached to the right side of the desk, supported by white legs. A large, black, adjustable desk lamp is positioned to the right. In the background, there is another desk with two orange chairs and a large window offering a view of a city skyline. The floor is made of light-colored wood, and the walls are a mix of concrete and white panels.

Cross-boundary vogue, inspiration interpretation.
Break the traditional office furniture element, finding new joint after recombination. Multi-fold craft and hollow out metal legs of Kross side cabinet, penetrating the deconstruction design idea.
Kross insists on cross-boundary combination, showing more design inspiration. Including both metal, wood, and glass, also with home furniture design.

Tempering glass side desk.
 Flip over cable box.
 Hollow out steel legs.
 The side cabinet of executive desk is applied with multi-fold edge
 and equipped with built-in CPU place and solid wood drawer.

EA86 independent
 desk, optional mobile
 cabinet.

EA87 executive desk has several optional dimensions, to meet different room size requirements.

Break the traditional room section way, melt the home furniture design element into file cabinet, combine with the vertical closet and bookshelf, to create a well-proportioned and flexible office room.

Communication come from the share with zero distance. Multimedia interactive touch your heart directly.
