LEXON

BOSS'S CABIN
Premium Office Furniture

Workforce philosophy of elite

Hundreds of years ago, England king Charles II invented pocket square and it was used for sweating and sheltering from the dust. In modern society, pocket square has already become the necessary decoration of suits.

“Proper exquisite decoration, expresses gentlemen manner” This concept becomes the source of inspiration of our designers and applied in LEXON. Solid wood frame embellished by metal panel, decorative shining lace and matches with elite, Keep the Chinese traditional frame and manifested by modern skills. Main side stage same as graphic design, contains balance; comfortable knee-hole space, demonstrates co-develop and inherits the gentlemen manner. That is the elite workforce philosophy of LEXON.
