Imagination Changes Appearance

The literal meaning of Link is connection and relevance
"L"-leading, "IN"-in, "K"-kernel

Relying on various modeling combination and abundant routing function, Link has organically connected office areas, and fully reveals a high-efficient and humanized office layout.

Elaborate arrangement makes imagination change appearance. Screen with width as 42mm, variable combination modes of work position, strong routing function and surrounding configuration have provided the best plan for a perfect office space.

Link

panel system

Screen with width as 42mm is not a simple add and subtract of mathematics, but a working pursuit catering to market rules. Your demand, our pursuit.

Link reception has two combination modes namely straight line and 120° trapezoid, which obedience to the humanized design philosophy with strong flexibility and complete functions. Wherever you go, the receptionists can always keep the most sincere smile and the most enthusiasm.
