LEADING

Leading of Trend, King of World

## Chairman's Room

#### Leading, just meet the trend of minority

They are consist of the top of society pyramid, more remarkable achievement, more opened horizon, and they have more rigorous requirements to their life, work and details. Unusual conversation, elegant appearance, confident and calm action. Therefore, such a room what is they need to appropriately express their achievements and inadvertently reveal their taste. Leading creates exalted rank office space for the minority elites.

EL88

The design concept of "L-leading" redefined top-level office  
Leading Series adhere to "L-leading" design concept, using "L" shape as the basic  
structure element. "L" is more aesthetic than "—" shape, and more concise than  
"X" structure. The unique asymmetric outline structure, virtual and reality codesign,  
in picturesque disorder.  
The new "Leading" design philosophy brings a redefined concept of top office.
