MINGRUI

Elite Layout and Entry Lux Realm

"Entry": Elegant, low-profile and comfortable.

"Lux": Luxury, exquisiteness and high-end taste.

One can truly control only with moderate luxury and a well-thought-out plan on mind rather than being arrogant or rash.

Aim High and Fine Workmanship Philosophy

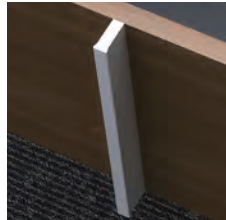

Concise and neat lines together with sturdy and powerful shape demonstrates phenomenal bearing;
The table surface, adopted new technologies of Felix walnut wood texture and lychee texture matte leather, matches the metal edge which is full of sense of science and technology.
Since that, the sense of high quality is represented by fine workmanship technology.
Mingrui, with the attitude of fine workmanship, delivers the taste and the pursuit of the new generation of business elites.

Space for the President

The executive desk takes on a concise and magnificent shape on the whole. The uniform dark colors manifest the temperament of wisdom and calmness, Demonstrating the remarkable bearing of having all things in control and planning victory in advance all the time.

The entry lux matte leather-like surface and comfortable touch enhance user experience, The montage design of different materials makes it both good-looking and practical, and fully reflects texture and style.

The surface is equipped with a waistline design, thus making the entire lines smooth and graceful.
The side cabinet is concise and succinct, being completed at one stroke.
The personalized handle design serves as a visual highlight, making storage easier and more satisfying.

The back cabinet is upright and steady in design, Meanwhile it meets with the demands for storage and display.
Super-fine steel plate coining technology is adopted, adding a great 3D sense;
Handle-free door design optimizes user experience; it will be opened with a slight press.

Space for the Director

The desk surface is decorated with facing of metal sense, and delivers the fashion spirit of elites.

大容量线盒，更能满足多样化用电需求
Great-capacity cable box can better satisfy multiple demands for charge.

Space for the Manager

The elite-style desk surface is equipped with solid wood texture facing together with leather-like surface, thus manifesting the taste of elites. The style on the whole is modern, succinct and unique in shape; together with the simple back cabinet, creating an elegant style.

The loop frame legs and the floating desk top highlight the smart and sense of layering.

Little Tea Table

The appearance is delicate, and the design is concise, elegant and smooth; It's neat and succinct. And users can enjoy a business leisure space sitting around.

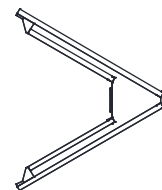

Space for Meeting

The meeting desk is upright and magnificent in shape.
The lines are more smooth and the surface design is more light, thin and fashionable.
The metal peripheral adds a greater sense of texture and brings about more dynamic and creative brand new experiences.

The sector foothold makes it more visually light and steady in shape.
The strong routing system can easily meet with demands of modern business meetings.
