Natural...

Natural is a consent, a description, and also an expectation,

Natural, brief and bright office environment,

Convenient, leisure and efficient office experience,

This is Natural,

A fashionable and easy office space.

**Small but complete**  
The reception desk of Natural integrates reception, storage and display, which maximizes the service function and space utilization of Natural.

#### Horizontal and vertical, orderly

The straight and square appearance shows a fresh sense of order, the side cabinet with power collection and layout function effectively reduces the desk area required by the operation, and is also favorable for keeping the tidy working environment. The wisdom of design is to find the golden point of balance from the practicability, space, appearance, etc.

**Rich and smart space**  
Modern office method prefer open design to achieve communication and teamwork. It is a good choice to use filing cabinet to divide space, and the layout portfolio is more flexible.

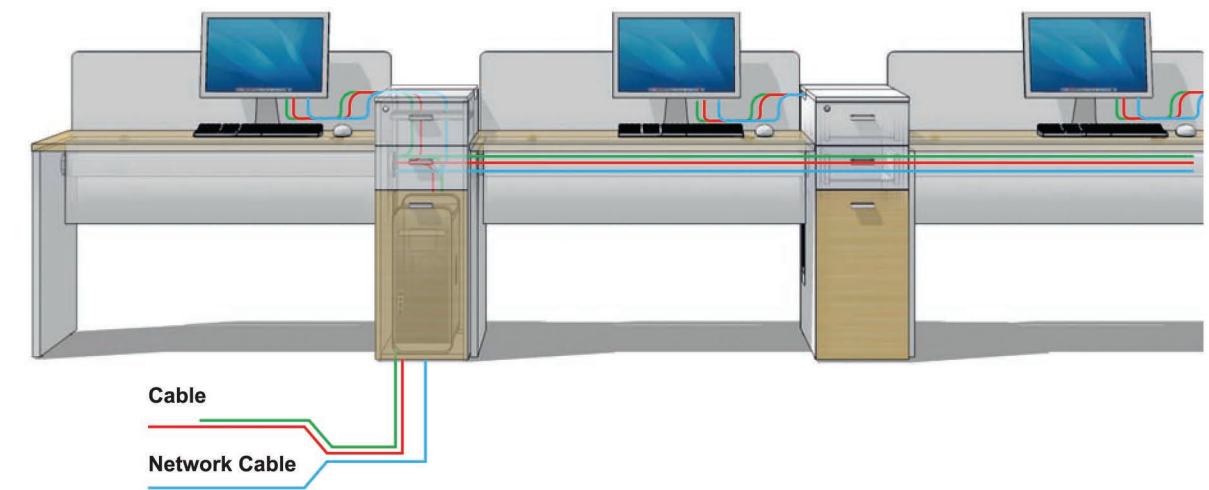

← The height of side cabinet just adapts to the standing office requirement, and can effectively relieve the fatigue of sitting for long, which improves the work efficiency.

↓ Fashionable stationery hanging design

The wiring design of Natural fully realizes the requirement from unit office to infinite conversion.
