## Smart Partition System

## Smart Partition System

**Smart-** The complete solutions of fashionable, concise and convenient modern office

**Flexible :** Extended along horizontal direction with angle of 90° or 120°, looking from the vertical direction, the various lines are in picturesque disorder, the balance between static and dynamic.

**Slim Physique:** With thickness of 32mm, elegant and exquisite, internal wirings, stationery hanging system. In a word, all the elements have both smart appearance and multiple functions.

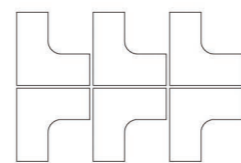

**Fashionable:** Using electroplate and stoving varnish embodied its charm of fashion.

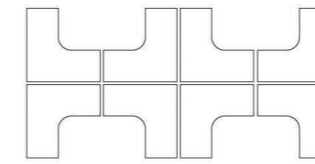

## Smart

The workstation with the shape of “出” (the Chinese character has the mean of entrance) provides more private free space, which is conducive to independently thinking for work. Although working in such an opened office, dealing with issues will not be disturbed.

Elaborately design the hanging system for putting the office stationery. It makes the space more lively and orderly, adding pleasure to work.

Smart

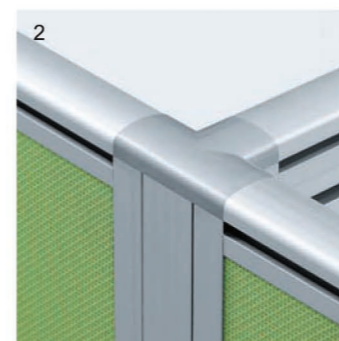

This kind of work station have the shape of “工”, ingeniously use the screen to divide the space, naturally guide work process, form close cooperation between the two-member team, as well as the harmony of whole team working together.

### Smart

The "S" shape work stations break through the traditional office style, with the opened office space, lively environment. Among all the work station, if on the condition of the same number and area, this kind needs the least panel area.

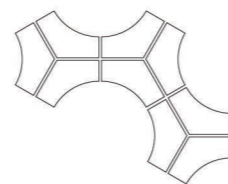

With the concise design, two kinds of style for selection, to satisfy all kinds of work needs.

## Smart

The sector work stations make the various appearance and infinite extension in numbers. The wave-shaped panels not only satisfy the requirements of individual work space, but also convenient for communication.

SWANKY OFFICE FURNITURE

With an executive desk, which is not only relatively independent, but also convenient to communication.

## Smart

The connection of executive desk and staff table makes maximal use of office space. Meanwhile the relatively independent space is also equipped with. It satisfies both the effective communication and privacy needs.

**Smart**

Just like the proverb said "Small as the sparrow is, it possesses all its internal organs." The Smart reception desk has the function of working and reception. It specifically designs a mini-console for putting office equipment and documents.

1. "S"- shaped work station
2. "工"-shaped work station + reception desk
3. Sector work station
4. "出"- shaped work station
5. "一"- shaped work station
6. "工"- shaped work station + executive desk
