SWANKY OFFICE FURNITURE

Esthetics of Sharp

Sharp considers designing, to a great extent, as seeking perfect proportion. Its unique furcated table legs are a successful and artful combination of various materials. Through accurate proportion aesthetics, unique design elements and diverse materials, one can experience a noble office life with temperament.

Light, stylish and personal

Not only iphone4 or ipad2 can reach extreme thinness. In Sharp, the featheredge design of 8mm contains the experience of fashion aesthetics and represents the office attitude of extreme simplicity. The unique and light duck-mouth design represents the modern office attitude of showing off one's personality.

Closing state of line box

Intelligent control, Opening state of line box

Using state of line box

Cabinet body uses cummerbund instead of conventional handles, concise and generous.

Enhanced accepting function of cabinet body

Keys and buckles inside cabinet body

wiring inside the cabinet body is concealed and beautiful.

New business space

Sharp offers smaller and capable business tables too. In a limited space, smaller side cabinets create a practical business environment for us, and offer modern office experiences more suitable for high pace.

Open the wiring at both sides of the line box of conference table.

Opening state of conference table line box

Conference room which shows off one's personality
Any conference can be a promotion and leap for us. We are thirsty for a concise, lively and convenient conference system to complete effective brainstorming and team operations again and again.

A perfect combination of veneer and leather

Sharp reception sofas maintain its simple and agile style, and create a fashionable and honorable reception space with the perfect combination of zebra veneer and black leather.

Two-door file cabinets with different heights

Three-door file cabinets with different heights

A perfect combination of accepting and display

The three-door and two-door file cabinets with four heights available, namely 800mm, 1250mm, 1550mm and 1750mm, satisfy all the requirements of file store in office life. The closed cabinet design and the cabinet doors without handles make office environment more orderly.
