D2

SEA
"ISLAND"
JOURNEY
AHEAD

What would it be like if we can only sit and enjoy leisure of a sea island tour? Sit here on D2 sofa, and it will show you the way.

D2 series — Artistic Islands

Artistic Islands—D2 sofa set

The designer shapes D2 sofa set into the natural profile of sea islands, making the sofa set itself look like a troop of islands yet bringing aesthetic, modern, and well-proportioned charms to spaces. Unveil it as a perfect match to grandentries, VIP negotiation areas, art galleries, high-end hotels... Communication in such spaces is a certain treat to your body and mind.

Only Four Stitches Used

Stitch lines are restricted to the minimum length, for less is more. Three types of stitch patterns are respectively used to shape the stereo outline of the sofa. It indeed requires higher technique to shape the large piece with mere four stitches. D2 sofa set shows off a unique simple-yet-stunning aesthetic taste.

Colors from Nature

Colors speak different languages. We pick up refreshing green from enveloped mountains, ardent red from autumn maple leaves, white and blue from a cloudy sky, and black and grey from a silent night... 7 nature colors help manifest diverse space characters.

Shared Backrest for Freer Talks

Lounge space and reception space are of frequent use and should be welcoming and relaxing. The 3600mm total length of D2 sofa ensures sufficient sitting space for relaxed gestures, and seats are available on both sides with a shared backrest to lean on. The two included stools help gather you around and make everyone heard. Enjoy the cozy and free-talking moment!

Skin-friendly and Water-proof Elastic Fabric

Smoother, softer, and more resilient, these are most testers' first impression of D2 sofa surface. High elastic interweaved fabric with a further waterproof coating is adopted to enhance both sitting experience and practicability. Free from water and coffee stains and stay clean and beautiful for each of your confident moment.

With Shape from Nature and Scientific Techniques

The aerospace steel frame inside the backrest and a solid wood frame shaping the seat combine into the overall firm and supportive sofa structure. Soft and elastic sponge is padded to imitate the sand beach sitting experience. The loop-shaped bottom wooden stand is also effective in skid and moist resistance. Natural beauty as it possesses, techniques hold it longer-lasting.

Aesthetic Like A Work of Art

Your stay on these "islands" might be fleeting, but is guaranteed to be unforgettable. D2 sofa set, a journey to new sitting experience and futuristic spaces.
