BOSS'S CABIN
Premium Office Furniture

Maxim is simple in style, exquisite in material, and excellent in performance. You can feel the elegant glamour of Italian minimalism gradually fills the air.

Indulge you with a simple yet splendid Italian-style charm from now on.

Less is more

The more complexities you give up, the purer what left behind.

01

As glitz fades away,
it's simplicity
that makes your life meaningful.

Simple yet excellent

Sleek lines constitute vibrant spaces.
A good taste is unveiled through details.
When affordable luxury meets Italian minimalism,
aesthetics is wielded to the extreme.

Leave some space

The wisdom of the doctrine of the mean is manifested.

As the moon waxes only to wane, 1/3 of the space under the desk is left empty, striking a perfect balance between light and shadow.

1. Flip-up wire box, neat and clean.

2. 45° beveled handle, smooth and quiet.

3. Invisible small drawer, private and exquisite.

45° charm

45° contour constitutes a dynamic scene of ups and downs. With artistic elements bled in, it's a quite romantic space.

Simple in style

The whole series embraces a minimalism attitude.
Linear elements display the purest aesthetics.

The pursuit of quality is revealed through details.

Exquisite in texture

02

Refined wooden grain looks natural and warm. Grey leather panel presents a unique aura. And geometric lines exemplify golden ratio aesthetics.

Kaleidoscope • Relaxation

Cold aluminum and warm wood veneer together create a dynamic space.

•

Executive series in white oak and meteor grey looks dainty and exquisite, a perfect match for the side cabinet.

Order • Freedom

Semi-open cabinet features both display and storage, highlighting the owner's passion for life, and a genteel manner.

03

Slender meeting table helps to create a formal atmosphere, and depicts the joy of peaceful negotiations.

Symmetrical flip-up wire boxes at both sides make sure no wire is exposed.

Occasional table with Roman column
offers an ideal place for you
to talk, meditate, and read.
