坐享丝滑，“帛”彩空间

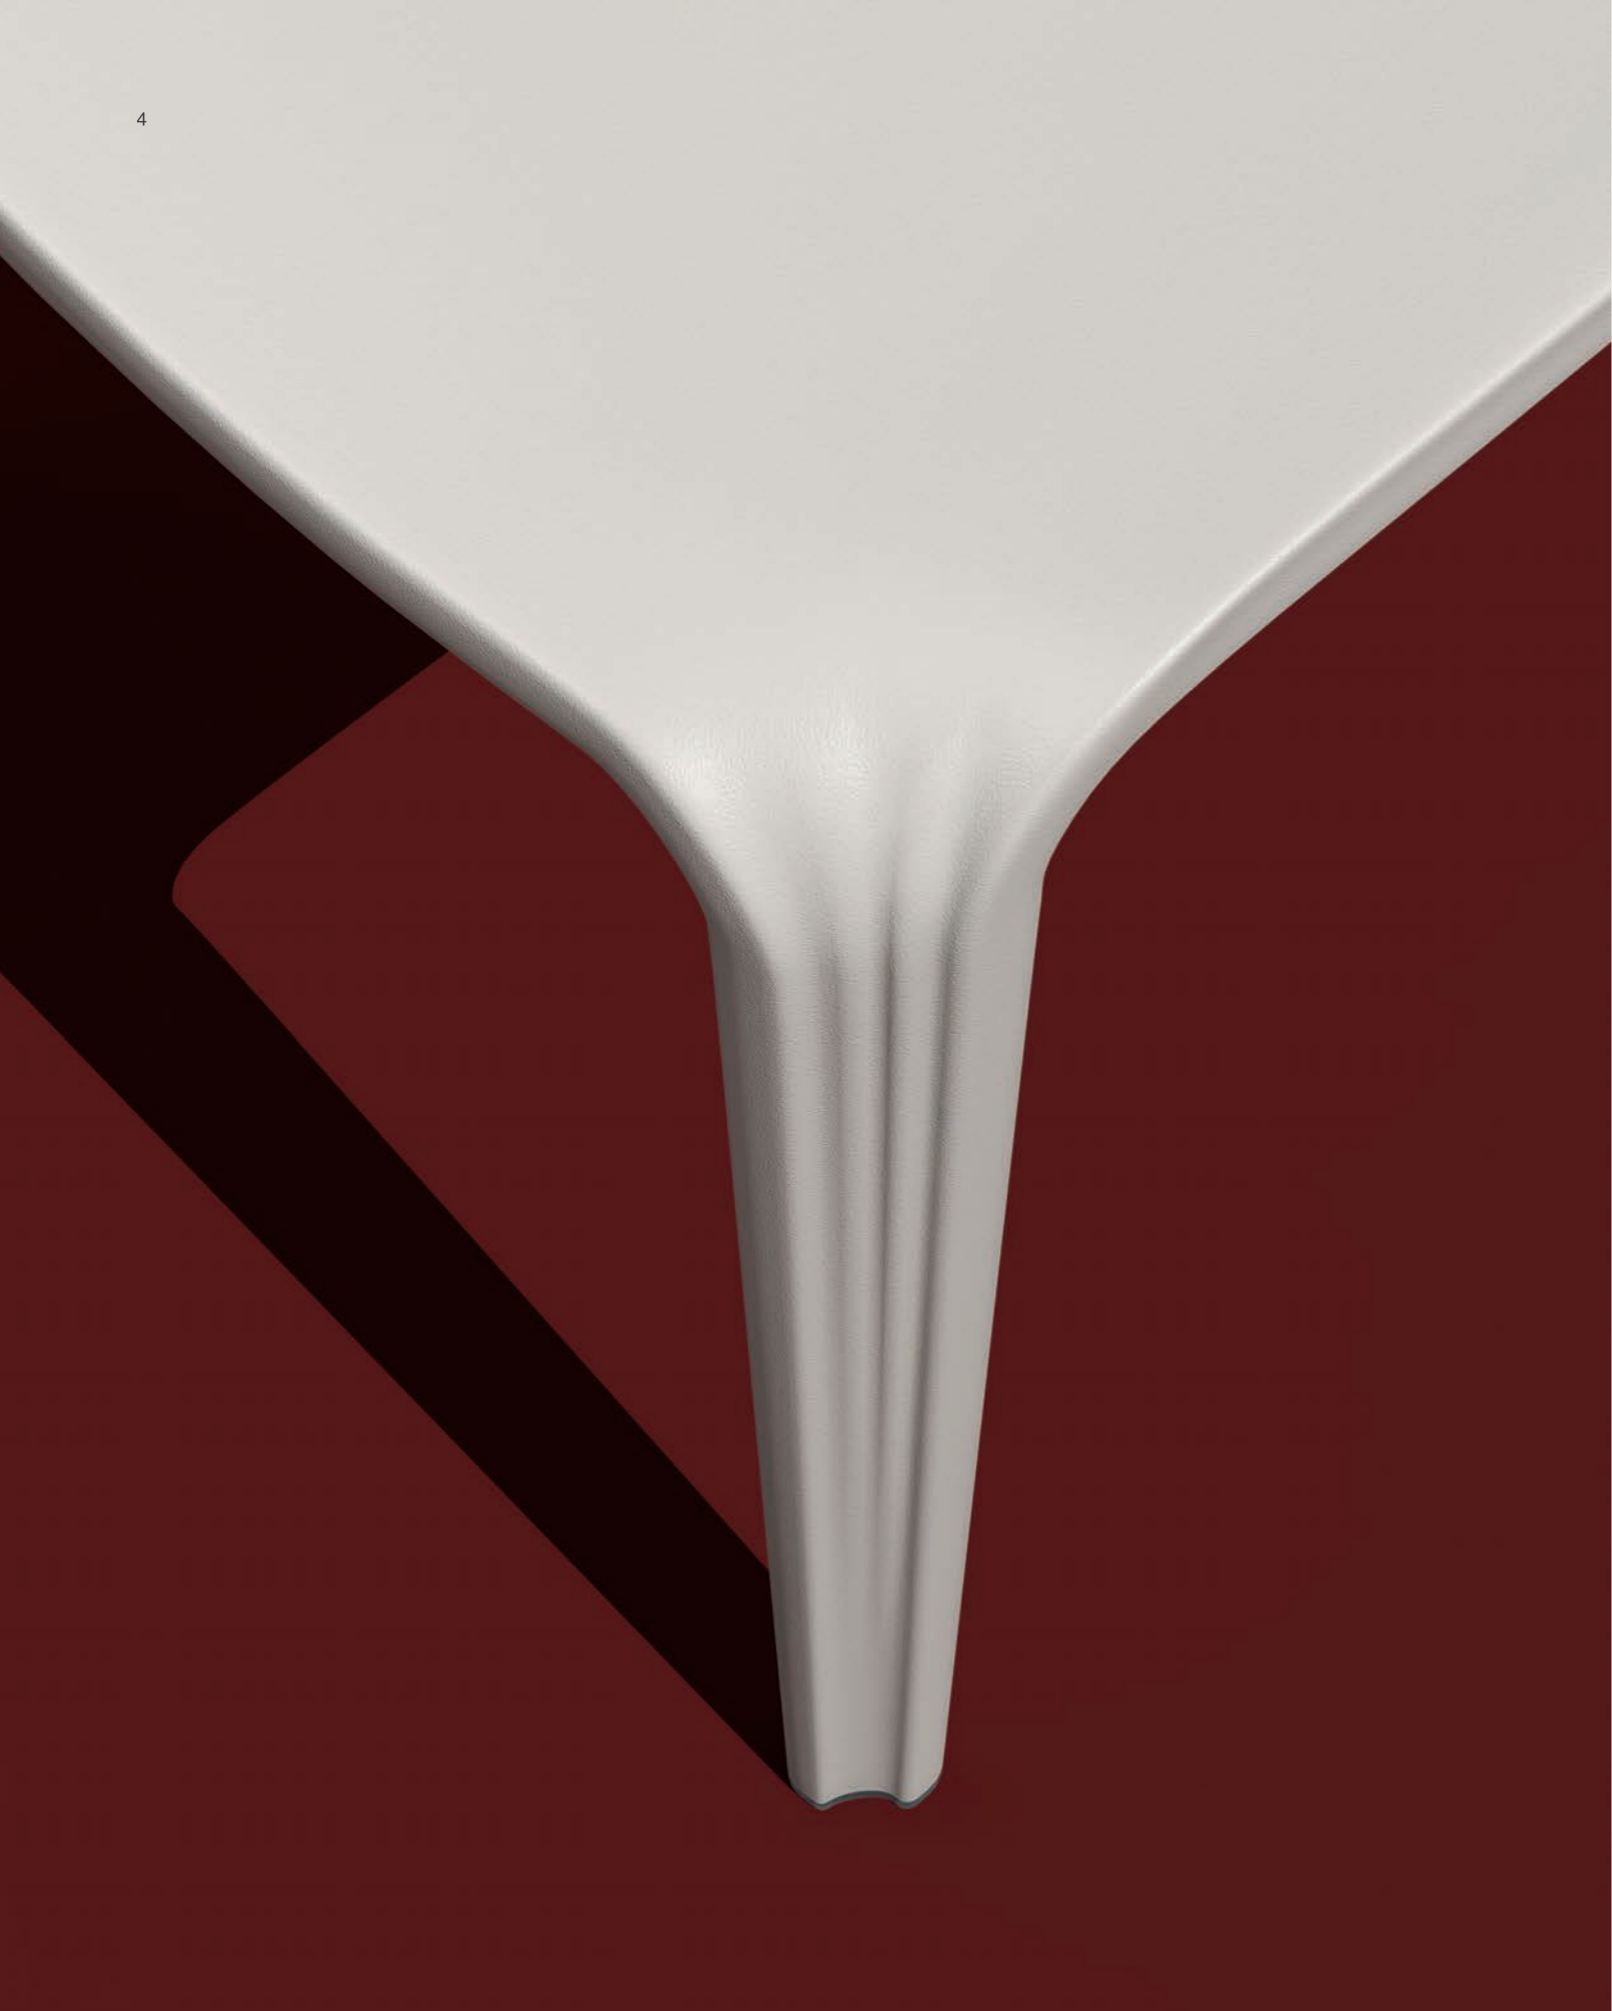

行走在T台之上，舞动于舞台中央，丝绸，始终演绎着优雅艺术的风采。指尖在丝绸缎上轻抚，跳跃的肌理轻触感觉神经，跨越隆起的波浪深陷下一道褶皱，方寸之间疏密有序，或急或慢，指尖演奏百褶艺术的旋律。设计师将丝绸艺术融入办公空间，留恋于丝绸悬垂感的丝滑褶皱，仿真设计，以轻盈曼妙的形态舒展开来，推动着年轻一族对时尚办公的追求。

"Plis" Sit with Artistic Smoothness

Silk has unparalleled touch, luster and air-permeability, and is widely used as a high-end fabric in fashion design. Magic happens when these silky features were introduced to chair design. Plis Chair, with its artistic shape inspired by plisse silk, stretches out in a light and graceful form to arouse the young generation's pursuit of office fashion.

Colorful as it is, Plis chairs express tinct delicacy, a treat to your eyes.

**Flowing Plisse Design**

Vivid, smooth, and delicate, the silky plisse design goes all through the backrest, seat, and feet. PP+GF material further endows the chair with car surface quality. The backrest looks like ruffled silk caught in the wind, creating a dynamic flow that is definitely a highlight to the space. The chair base flowing down from four corners seamlessly forms the chair feet.

**Appealing Outdoor Supporter**

Young employees favor outdoor working experience than working in conventional indoor space. Material of Plis chairs has excellent stability even being used in outdoor environment, refreshing you with close-to-nature and leisure working hours.

A grand artistic quintessence is about to be staged.  
The winding and undulating ceiling streamlines set off the elegant and gorgeous stage art and reflected thousands of Plis chairs in the distance.

If space constructs the form of art, then color plucks the melody of art. Sitting in Plis chairs, the pure tone of silk responds to the climax of the drama and affects the emotional ups and downs of the audience.

#### Focused and Relaxed in Meeting

A long meeting will consume your energy if your seating is not relaxing. Plis chairs use high density material and are designed with more outward back feet, providing strong support even when your body center of gravity is backward with a lying posture.

### Proper Elasticity for Comfortable Sitting

The flexible material can bounce back slightly. When changing posture, it can cater to the relaxation of the muscles when the back is tilted, and it can be comfortable to start a meeting at all times.

### Artistic Flow in the Dining Space

Weight of one Plis chair is 4.1kg (≈ 2 Macbook) and easy to move with one hand. Dining spaces can also be rhythmic and stylish with Plis chairs presenting as delightful as artworks. Matching with coffee tables, friends can gather here for a noon refill leisure talking or a happy party.
