Move Freely, Work Happily

**V-shaped backrest does everything
for your back comfort**

A suitable office chair is your warm company in the nine-to-five working life, whose wide arms are indispensable along your career path. The V-shaped back support perfectly fits your back like a stretched wing and eases your lumbar and back like tender hands. The ergonomic design of the backrest allows easy adjustment according to your sitting position. This slight change for your back brings totally new level of comfort.

Aveza, Born For Sport

Have you ever wondered how many moves a person would take in the office in a day? Drinking water, browsing websites, writing plans, passing documents, communicating with colleagues...How could one possibly go without a versatile chair? Aveza's unique dynamic mechanism design empowers your 360 joints and 700+ pieces of muscles to move effectively with the backrest sway, greatly increasing your work efficiency.

Work and Communicate with Facility

Like a partner, Aveza gently follows your pace and consistently supports your body. Whether to fetch documents, discuss proposals or take a nap, it allows you to handle all these situations effortlessly.

A Chair to Sit on and to Look at

A chair that never gets out of date requires a time-tested technique and presence. The “sandwich” structured seat cushion adopts high-density molded foam, providing an elastic seat, while the polypropylene frame is as firm as a rock, offering an outstanding support. Tender yet powerful, it is Aveza’s raison d’être.

The human spine is reversely S-shaped, and it might get deformed if the chair back doesn't fit. Aveza adopts knit/mesh fabric, which consists of double-sided mesh and 0.18mm polyester yarn. Its 300g thick mesh brings you incomparable breathability and support, and the 3cm high elasticity perfectly and firmly holds your spine, distributing stress evenly.
