Premium Office Furniture

It is always a pleasure to greet a friend from afar.

Full of geometric lines combined with a variety of materials - This is I-Key, welcoming guests in a super perfect image.

#### Fabulous tutii of wood and stone

The combination of marble board with deep-colored and light-colored wooden boards, turns these two traditional building materials into harmonious and melodious "Advanced Alliance of Wood and Stone". The high table-top is for information desk, and the lower top is for negotiation. Different parts play different roles, divided professionally and considerately.

An unprecedented and powerful functions of wire management.

I-Key, inclusive because of its storage and calm as being very neat, owns powerful functions of wire management, enough space for knees, satisfying your functional requirement at any time.
