**VARNA II**

# ARTISTIC INSPIRATION BRINGS MORE ATTITUDE TO WORK

In the 1830s, the Fairy marked a new era of romantic ballet featured by the unique "pirouette". Today, designers extracted the strength and softness of "pirouette", and launched the Varna family, aiming to creating modern and stylish workplace.

# 1

## VARNA II

**Designed for legend-makers**

Simple, stable, functional, Varna II exudes an uninhibited elegance and commands the room from all angles.

## PRESIDENT SPACE: FEEL THE EXTRAORDINARY

The bulky appearance of the second-generation Varna II president table shows the extraordinary style of the president and deduces the exclusive space experience. The elegant and atmospheric shape sends out unique charm in the space, highlighting the extraordinary taste of leaders.

High-protection electronic combination locks provide security for business confidential documents. The application of intelligent technology further ensures office safety.

The top of the side cabinet is set with wireless charging function. The desktop is neater without cables.

The maximum length of the table is 3200mm, which holds up a solemn and powerful meeting atmosphere. The warm and delicate wood texture makes the overall shape more low-key and introverted.

## EXECUTIVE SPACE: INDULGE IN DELICATE AND ELEGANCE

Open and free, elegant taste is the label of the new generation of elite. They are smart and focus on functional product design, thus enabling efficient office work; They are exquisite and have the pursuit of artistic space environment. The new collection of Varna II creates executive space that meets the needs of the new generation of independent, confident and enterprising executives.

On the way to climb the peak of the workplace, the steps of working elites never stop. The board feet, which implement the three-dimensional cutting lines of ballet foot, is more solid and steady, implying innovation and steadiness and witnessing every self-transcendence of the elites.

The transparent glass roof is spliced with wood elements to give Varna II artistic beauty; 8mm toughened glass certified by 3C can be solidly load-bearing.

The opening and closing of the drawer is smooth, to achieve closed storage, so that not commonly used small office supplies can also be orderly stored.

The back is equipped with a display storage area, which can display personal collections.

## MEETING SPACE: MORE PRODUCTIVE AND INSPIRING

Modern office space encourages meaningful teamwork. Different sizes of Varna II are configured for different sizes of Spaces; The functions of online office equipment, power, and storage are upgraded to support the evolving office mode. Varna II makes the exchange of information and the collision of ideas easy to happen.

Distance is no barrier to communication.  
Convenient power fetch function can be used  
by multiple devices at the same time, saving  
time and doubling efficiency while  
communicating online.

The delicate look of metal foot is full of strength, endowing the space a powerful yet concise atmosphere, making cooperation and communication rational and passionate.

Square-shaped counter top is more suitable for formal talks when both parties could express opinions and sit for talk on an equal basis.

Circle-shaped counter top naturally bridges people's distance and promotes close communication among small groups.

## I-VARNA II

**Designed for minds that  
innovate**

Stylistic, exquisite and modern, I-Varna II is a leading force in workplace fashion revolution. Elegant anywhere, from every angle.

### *Simple and Elegant*

Presented in a streamlined design, I-Varna II radiates a calm intensity that gives the surroundings a meditative atmosphere.

Material beauty meets functionality, I-Varna II is designed to enhance your working satisfaction.

The side cabinet is well divided to stow away computer hosts as well as different work implements. A cash drawer is included to enhance privacy.

### *Efficiency that Delivers*

The back cabinet is configured with a retractable hanger rod so that you can hang your clothes easily.

Screens can be used for pasting notes ( or use a thumbtack if you choose felt strips ), or simply lending a sense of enclosure to define a private space.

#### ***Deliver Robust Functionality***

#### ***A Readily Adaptive Solution***

◦

Stylistic surfaces, powerful legs and neat cabinets together constitute a well-organized employee space; 3D laser edge banding makes I-varna II distinctive even in detail.

Flexible shelf panels increase storing flexibility while lockable drawers ensure your property security.

***For Here, There, Everywhere***

The linear layout can be neatly arranged anywhere and easily scaled up or down as you company evolves.

Take on Every Look

The frosted glass screen strikes a perfect balance between concentration and cooperation and effectively safeguards your privacy. Many screen configurations make this product a must-have asset to meet your personalized needs.
