trans

Training is indeed sharing. Sharing viewpoints, information, ideas between each other helps form a tribe of communication. Sunon Mandis, Trans, Wels, Arms series are innovative and boundaryless designs competent in forming training spaces where tables, chairs, and whiteboards can be configured as users need.

trans

**Trans, leisure
work and free
communication.**

Break the Boundary

Compare brainstorming to a crustal movement.

Create an island where all inspiration meet.

Rich feet types and colors match spaces with different characteristics;

Whether group discussion or group training, Open your mind and speak freely

**Break the boundaries of space
and rebuild the communication
experience.**

The training space needs to be flexible, interactive and fun to motivate employees' creativity. Trans series training tables are available in a variety of colors and types of feet, It is a highlight when standing alone and a fine match to other products. Folding storage design offers more possibilities for storage. The Y-shaped metal foot allows the training to be active and orderly.

Mandis

Turn Over the Training Table

Bionics "mantis" feet add beauty and a sense of motion.

The humanized shielding plate protects the legs from exposure.

A bookshelf under the table is designed to accommodate books and sundries.

Pushing the handle up can flip the tabletop horizontally by 165 degrees.

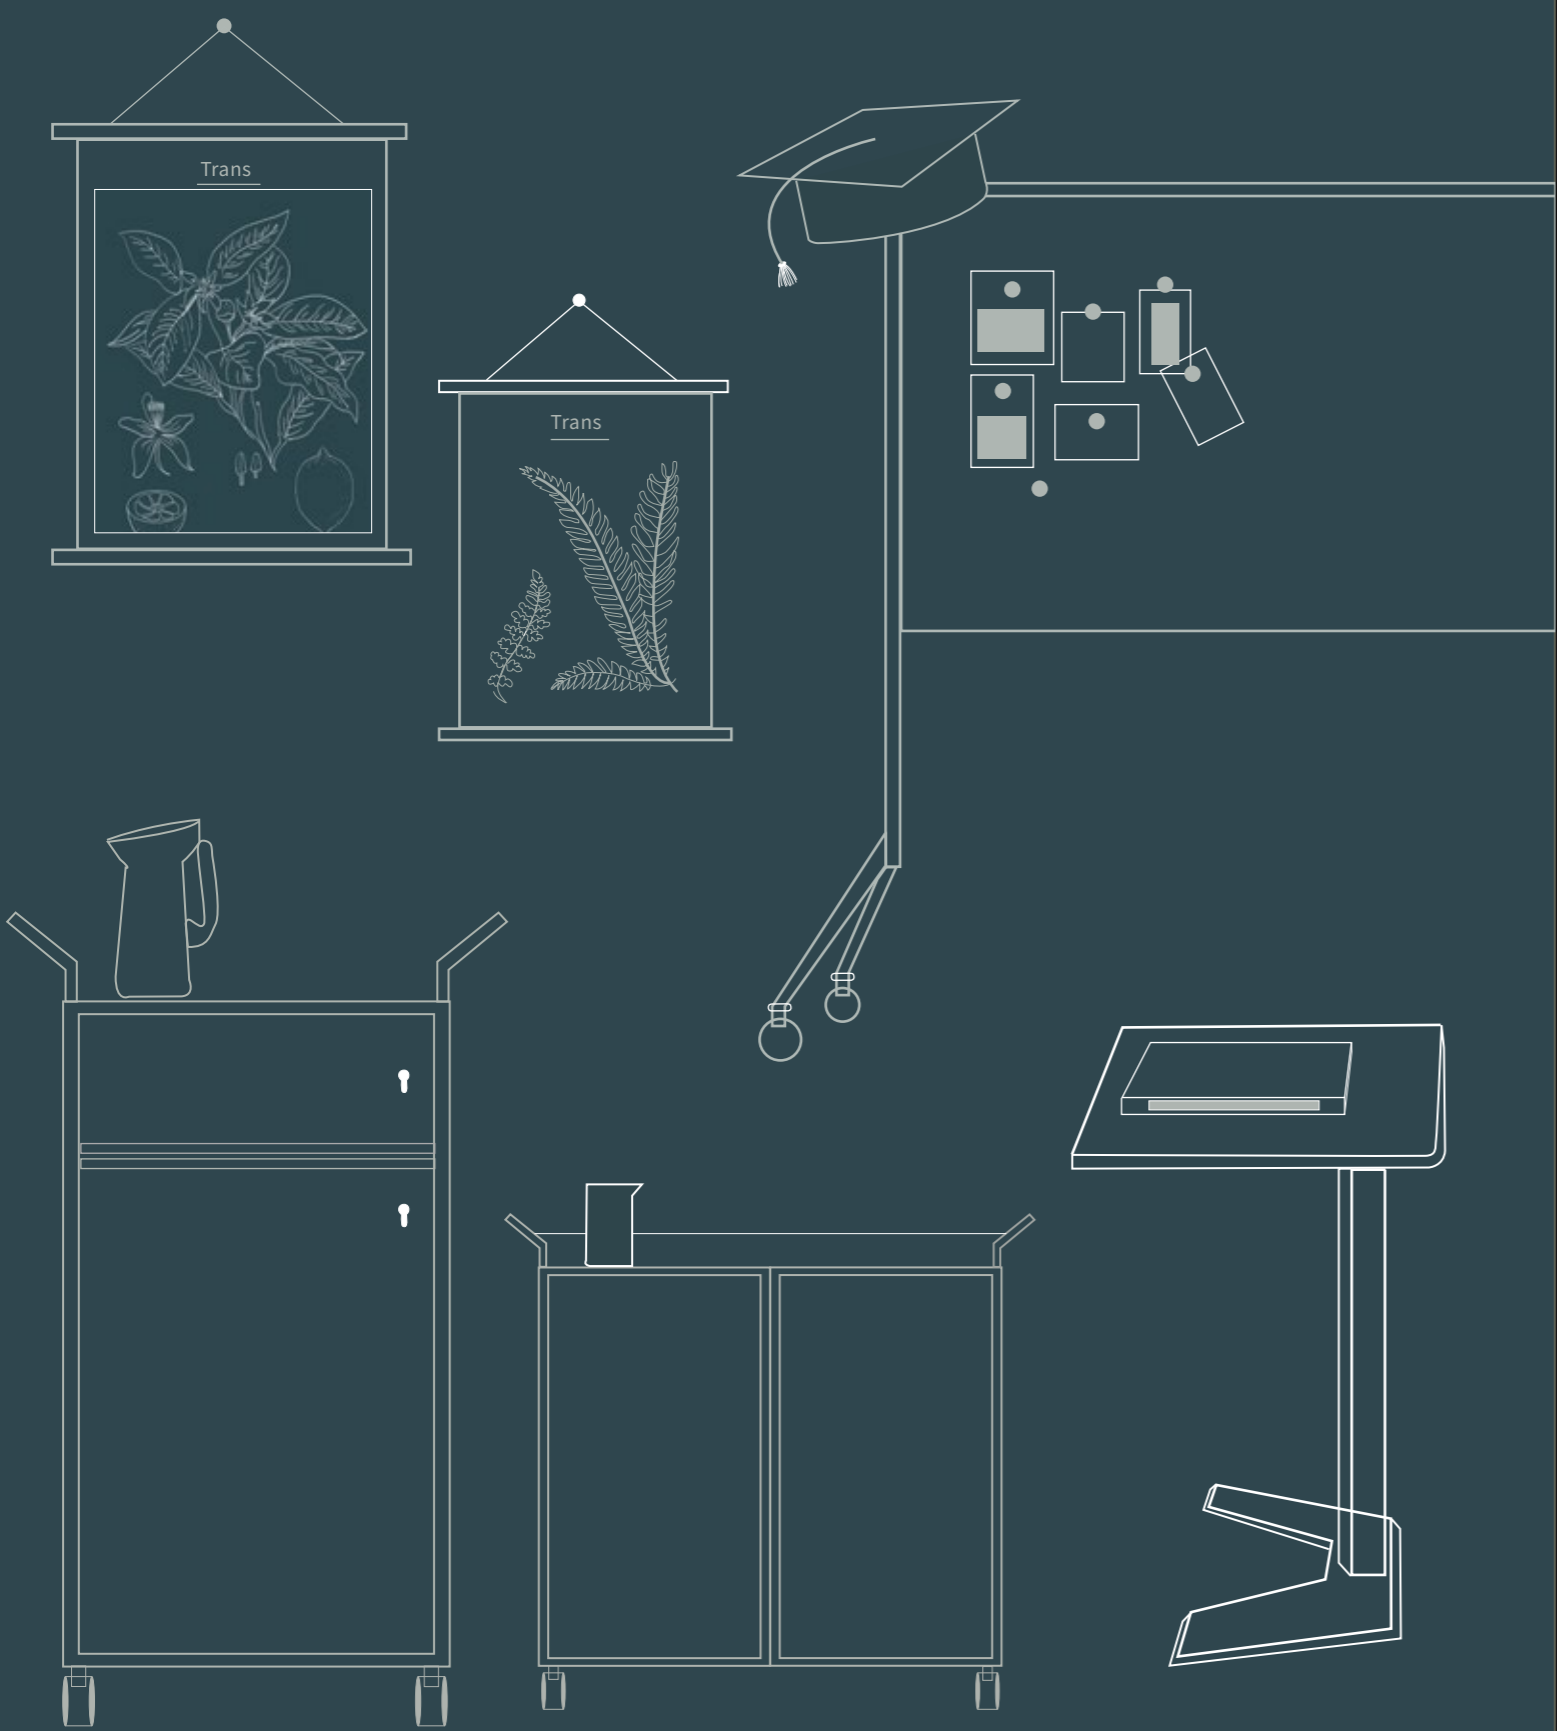

Let the storage become art.

Welss

Arm your mind with knowledge and refresh your knowledge with skills. Three-foot high platform with a whiteboard on it, restore learning scenes. Herringbone steel feet for easy push and pull at any time. Partners gathered in groups and talked freely. Learning can also be a pleasure.

Inspiration never stands by, and sharing should happen anytime, anywhere. Vera training series is equipped with a T-shaped podium, convenient for giving a speech. Mobile whiteboard to share your ideas to every corner of the room; Large-capacity file cabinets is sufficient for storage. Keep up to the changes of innovation is the secret of maintaining vitality of brain.

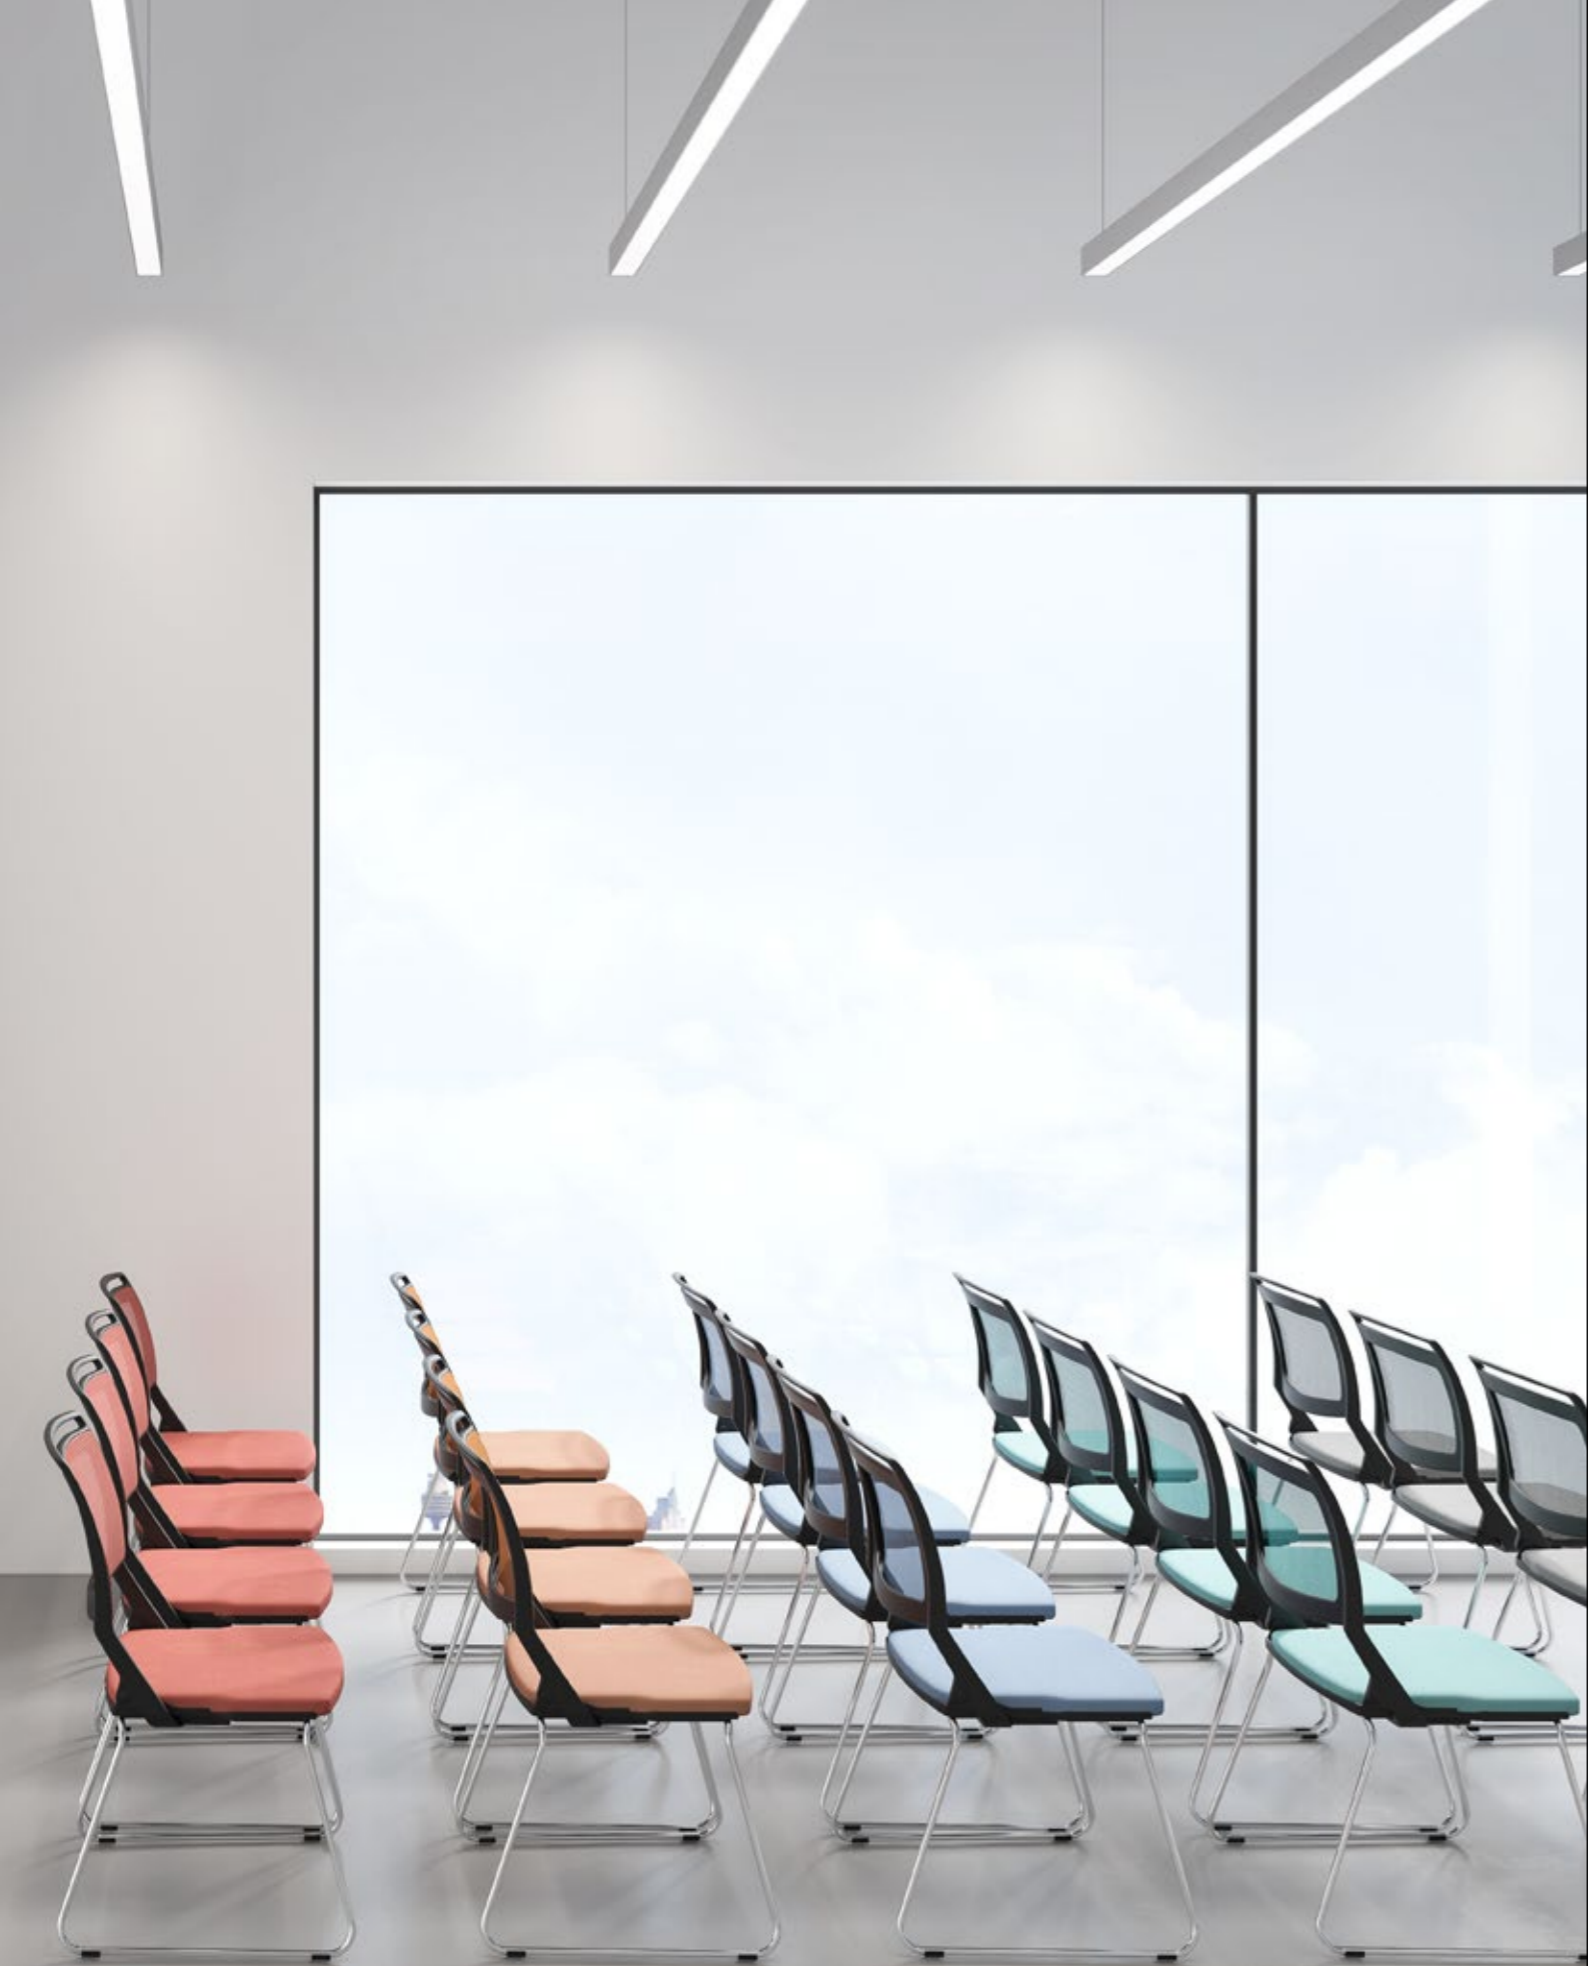

Training Chairs

Arms

The shape of the armrest of Arms series training chairs is inspired by the eagle wings, which makes the overall shape dynamic and powerful, adding vitality to the quiet office space. The seat plate is reversible, which makes it easy to be stacked and carried.

Diamond

How can training process in an orderly manner without a training table? Dimon training chairs have different foot shapes in brilliant colors. With tables and chairs, you can further choose to set a rotatable writing board to start training. Enter the light training era ahead of time.

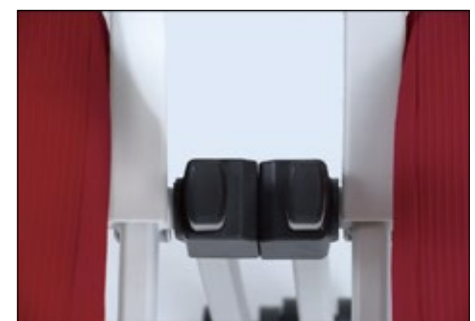

Break the limitation of traditional office room.

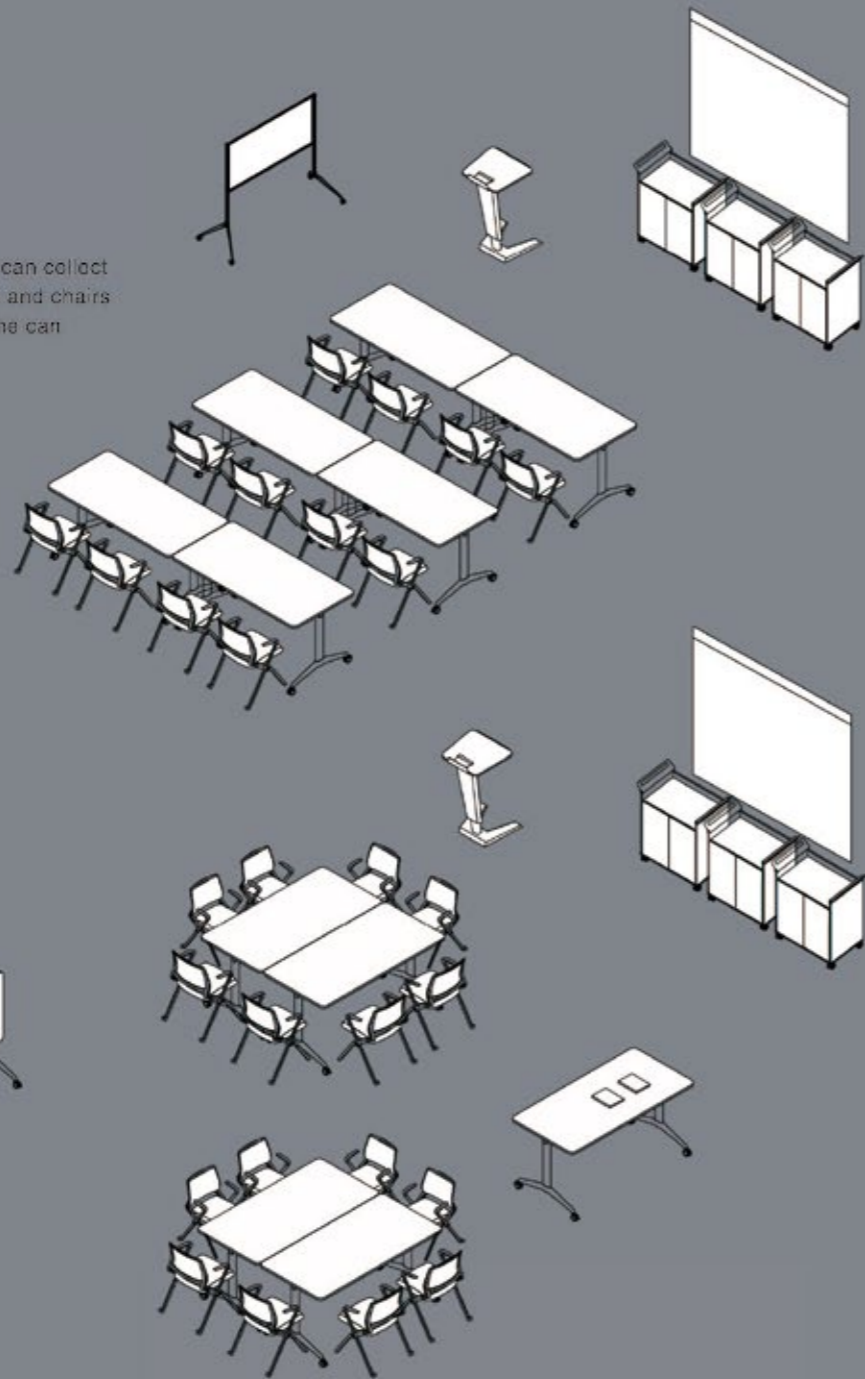

Organizing a topic salon sometime, topics here are more open and free. The

S-shaped chair back line follows the natural spine curve to offer proper support to you back. The lumbar support is hollow to be more breathable.

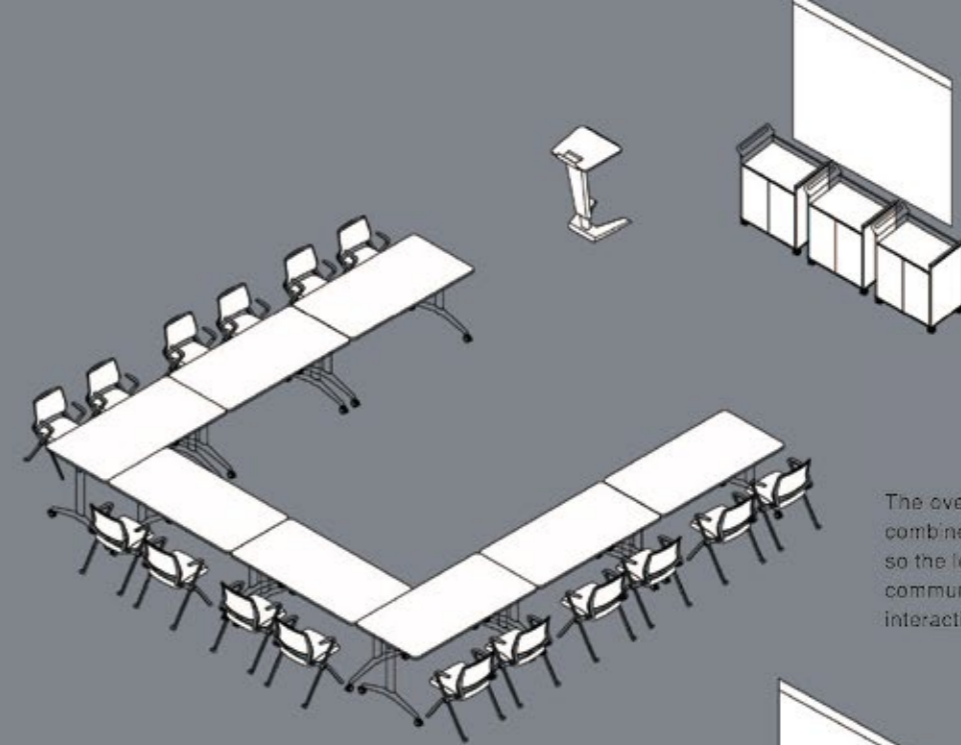

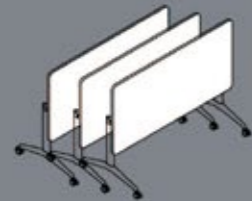

The flexible universal castor is equipped under feet for easy turning around. Let discussion and communication happen anytime, anywhere.

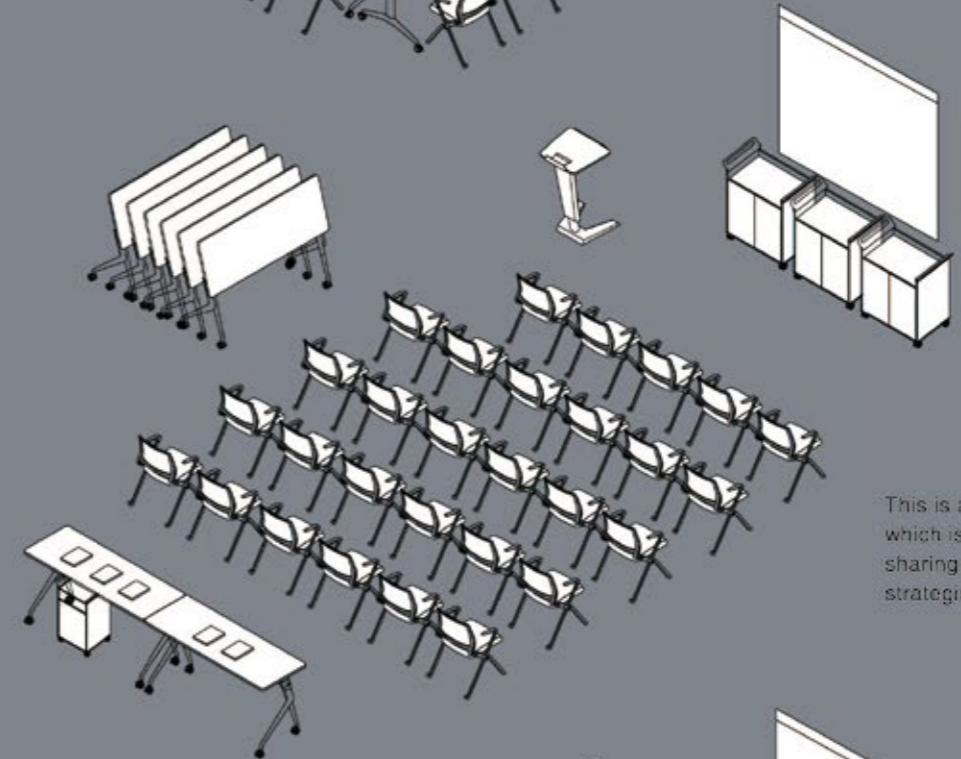

In the classroom-style training mode, you can collect whiteboards, a podium and training tables and chairs to form a small classroom, so that everyone can clearly receive the training content.

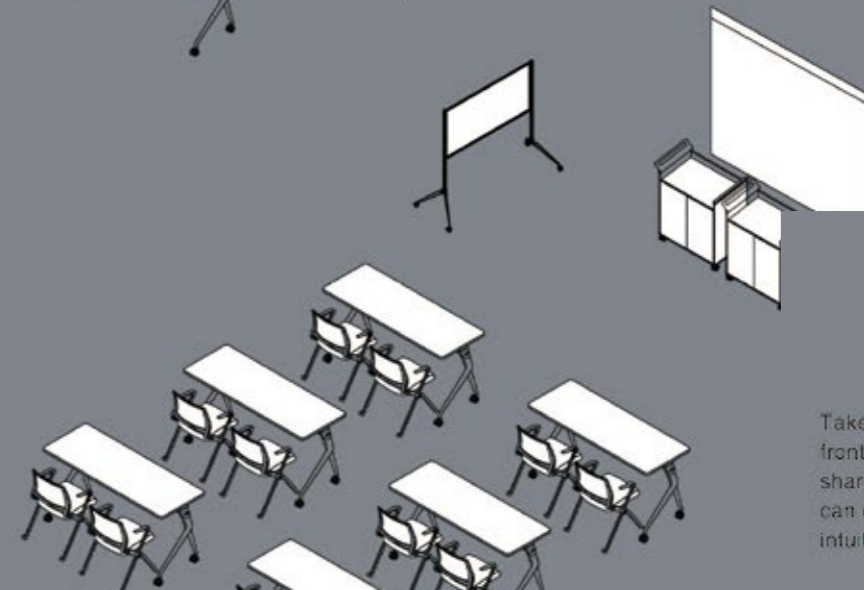

Different groups are scattered around, forming small settlements. More interaction can ensure that everyone speaks actively.

The overall U-shaped layout is combined with discussion and teaching, so the lecturer and trainer can communicate at any time, bringing an interactive communication experience.

This is a one-to-many training mode which is specifically applicable in sharing information or passing a strategic decision of an enterprise.

Take your notebook and pen, sit in front of the training table, with material shared on the Multimedia screen, you can discuss with each other more intuitively.
