INNOVATE CHANGE IMPROVE

W cabinet series including majestic back cabinet, file cabinet that smartly combines storage and partition function, flexible short cabinet, and tea cabinet for conference room have all been updated technologically. With no gaudy decoration, W cabinet reveals itself in a natural way, and the design beauty is vividly expressed in the simple color match and linear structure. Like high and low buildings standing in the city in a well-organized way, W cabinet stands firmly in office, creating office ecosystem for you.

President's Back Cabinet: Elegant and Exquisite

High cabinet of walnut color paired with grey glass door, sedate yet elegant; semi-open storage design makes it easy for you to see at one glimpse what's on the shelf; z-shaped aluminum alloy edge banding strengthens the cabinet, creating stereo visual effect. The masterly technique and unworldly quality of back cabinet highlight its user's bearing of having an eye on the big picture and winning any competition.

Metal Edge, Simple Design

With aluminum alloy and grey glass elements, the high cabinet becomes more simple yet agile. 1.5mm ultra-thin aluminum alloy frame enhances the intensity and bending resistance of the door panel, effectively preventing the deformation of door panel.

W3579*D400*H2005(mm)

Well-organized Division

Back cabinet in executive space emphasizes not only its function, but also its decorative purpose. W cabinet adopts well-organized divisional method, dividing the storage space into various small space, in which items of different sizes can be placed orderly. Also, the well-structured appearance and harmoniously proportionate body make it an eye-catcher in your office.

W1984*D400*H2005(mm)

Caring Design Knows You Better Than Your Assistant

The man-height semi-open back cabinet allows you easy access to documents with no need to step on a stool or tip your toes. The golden ratio division design is adopted for various sizes of books, craftwork and digital devices. The handle-less wardrobe has a mirror and hangers inside for your coats and scarves. The removable storage box with buckle is easy to use and its PU leather shell is moisture-proof, dust-proof and skin-friendly. The cabinet door has a coded lock which integrates USB and sound-and-light alarm, providing intelligent protection for your confidential documents.

Colorful Back Cabinet, A Choice of Trend

The colorful one-piece frame brightened with the collision of popular Morandi-style colors and burlywood adds a trendy accent to the space, and makes it a preference for newly-merged companies in Internet, finance and advertising industries. The Z-shaped edge band brings a sense of depth visually to the cabinet and creates a pleasant working environment while no extra painting is required.

**File Cabinet: Large Storage Capacity,
Applicable Globally**

For office working, for meeting, for anything.
With large storage capacity and 370mm interval of international standard between shelf boards, it could meet the needs of customers in overseas markets. Equipped with mute hydraulic hinge, doors in the cabinet could close/open with simply a slight push/pull, creating a peaceful and quiet office environment.

W1604*D400*H845(mm)

Tea Cabinet: Stereoscopic Fence, Rounded Corner

Tea cabinet is a must in reception and for high tea. Finished with matte formaldehyde-absorbent paint, it has clear wood grains and a mellow touch. With the storage space being divided vertically, and the intervals in between increased 2-3 times progressively, it is a cabinet that is suitable for keeping various kinds of stuff. The design of the stereoscopic fence is an extension of the space, and will protect objects on the surface from falling down. The 45°-rounded edges and corners will prevent you from getting hurt.
