Premium Office Furniture

One of the happiest times in life is childhood with Mickey Mouse, Donald Duck, Slam Dunk and Saint Seiya.

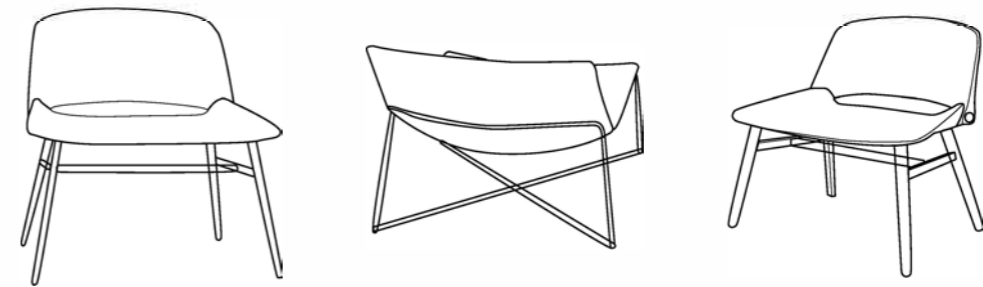

The modern office space tends to be stylish, lively and fun. Research shows that an office with chic design can liven up work atmosphere and boost innovation. Sunon's design team adopts the principle of bionics and draws on the cuteness of Donald Duck and creates Duck lounge chair which adds vitality and delight to your office space.

SOFA CHAIR SERIES

Lounge Chair

A sofa is cozy to sit in but cumbersome in size. A chair is convenient to move but lacks comfort. Duck combines the merits of the two while abandoning their weaknesses. Duck lounge chair relaxes you with its big and wide structure that provides a comprehensive support.

—
The ergonomic structure supports the passion and vitality of your day, while three leg choices cater for both home leisure and office environment.

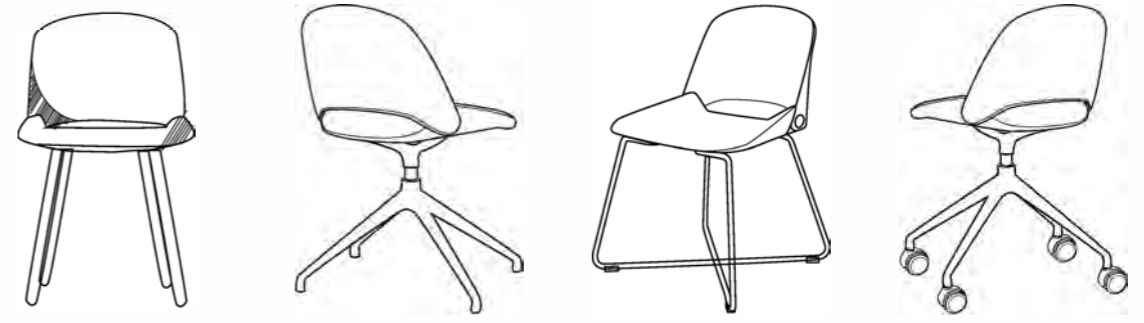

With hand sewing as the last process for the hollowed-out part of chair back, Duck, stitch by stitch, acts as the best interpretation for outstanding craftsmanship.

A heart-to-heart conversation over a cup of coffee, with the company of Duck.

SOFA CHAIR SERIES

Fabric Lounger Chair Wood interprets coziness, metal releases passion, and thin steel composes minimalism. The different materials allow your space to shift among various styles.

—
The cute duck beak shape of the chair adds a touch of amusement to the office space, and the 3cm ultra-thin cotton provides a high-level of comfort.

The fabric adopts ancient quilting craft with even density and interlaced lining, outlining the stereoscopic aesthetics.

—
• The color contrast of backrest brings a strong visual impact for the space, and the four-star polished gilt base makes turning effortlessly.

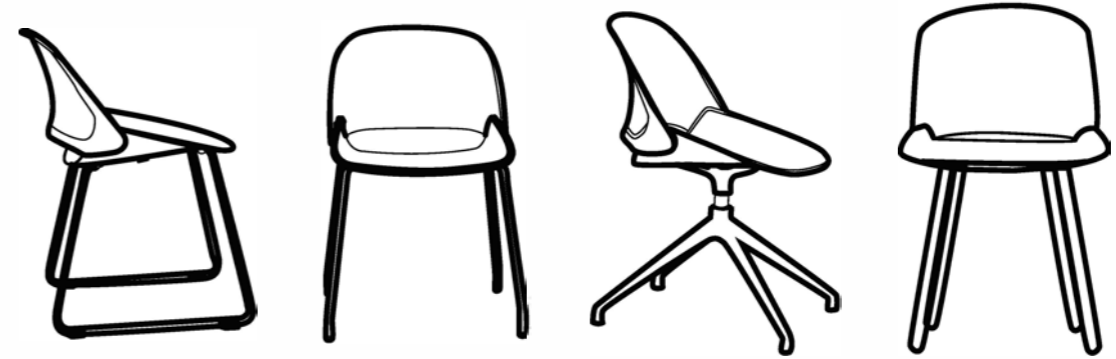

Regular meeting space is dull and limits
negotiation, discussion and the ability to carry on
easily and smoothly

SOFA CHAIR SERIES

Plastic Framed Lounge Chair
 In this complicated world, less is more, and a simplifying design would possibly bring another kind of pleasure.

Modular clasp structure is easy to disassemble and carry, whose sturdiness has been proved by 14,000 times impact tests.

—
Take a break from your fast-paced work, find a quiet corner and soothe your tight nerves: a moment of rest leads you to inspiration.

MULTICOLOR

Removable and washable seat cushion with multiple colors to choose from, helping you avoid the annoyance with dirt.

BAR STOOL

Different heights, different horizons.

The round wood leg and metal tread of the H-shaped bar stool mix and match a hint of wildness. Empty yourself and enjoy the night with a few drinks.

Bar stool of an elegant form, four-star base in solid shape, and light colorful plastic interpret different aesthetics.
