BOSS'S CABIN
Premium Office Furniture

When you are happy, you share your great news with every friend seated at teatime.

When you feel lost, you hope to be left alone, lean your head against the sofa, and close eyes to separate yourself from this awful world for a while.

When you are sitting idly, you prefer to lay your hands on the armrest, tapping the surface with your fingers, and thinking of nothing.

When you are waiting, you always check your tie, button up your shirt to the second button, and make sure you have brought out the best in yourself.

When you are pondering, you rub the sofa surface, observe every detail closely, and lost yourself in thoughts, expecting the kick of inspiration.

When you are in discussion, you listen to every opinion carefully, and nod your head when you agree, roll your eyes when you don't.

We change, all for you, for all these smalls details of you.

Be summer flowers, be sofa lovers.

Camira flax imported from the UK is fine as silver sand in texture, and soothing as starry sky in color.
