WELCOME
A CHANGE
OF
SPACE

POETIC LEISURE VIEW.

"Integrate design with human nature and create carefree spaces. Always follow your heart. "

—— ITO
Start in 1987

La La Land

Alongside the coastline, waves battered the rock, seagulls hovered around, two fin whales frolicked in the distance and a sailing boat loomed up out of the fog... Designers of ITO incorporate the sailing boat into the design and use the sail as the mainframe and cobblestone as the base. Inheriting the wisdom of raising sails and lowering sails, a flip sofa comes into being, bringing you into a La La Land the moment you sink into it.

PRACTICAL CREATIVE

Storage base at your disposal

Revising plans in the waiting hall is quite normal for employees.
550*650*300mm storage space is as large as the base of the ship, admitting your books and backpacks easily.

UF brings nature to your office and enables you to be immersed in the poetic coastal views. It naturally accommodates most public spaces and creates a La La Land in this bustling world. Holding a book and taking a sip of tea, you can enjoy a relaxing moment here.

Enjoy a wonderful moment!
