Exist Beyond Trends

Not defined by boundaries,
Ai8 is a beautiful furniture with a contemporary edge and a timeless appeal.

Ai8 high-end tailored presidential system makes new definition of customization, highlighting the harmonious coexistence of doors, walls and cabinets.

A *Timeless* Design

Executive Office

Majestic aura / Powerful storage / Strong versatility

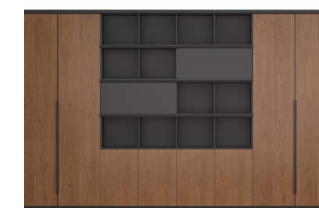

01

Unmatched Quality

We've removed unnecessary designs to focus on the functionality of your space. Step into an environment where you can enjoy a calm and luxurious life, even as time passes. Here, quality is the only constant.

Serene Luxury, Impressive Spaces

With a thoughtful layout, this space is ready for any challenge. The open design offers a sense of freedom, combining elegant textures with a high standard of sophistication.

Practicality Leads

The central display area with a maximum width of 4300mm allows large collections to be displayed; The thickness of the plates can be adjusted according to the weight of collections. Excellent load-bearing capacity is in your control.

Together for Better Aesthetics

The combination of solid aluminum alloy and clear glass enhances the overall aesthetics.

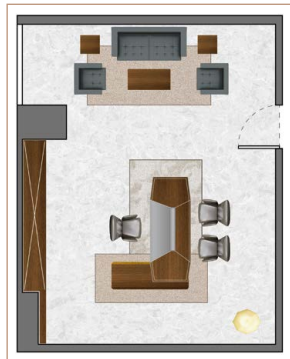

Well-crafted Beauty

Shelf panels come in many variations. Upholstered or curved, you can always find the right look to fit into your surroundings.

Stand Out Immediately

Ai8 system makes the most of all the crannies and all the nooks with the added benefit of powerful storage.

Voyage through Time

Distinctive in Its Details

Books are the quietest and most constant of friends and the most accessible and wisest of counselors.

Originated from Italian Minimalism

The light color wood grain helps to create a relaxing environment. Slow your pace and enjoy the sheer pleasure of reading here.

Several Units Rolled into One

Cabinets with doors at both sides brings abundant storing space while the central display area is suitable for placing collections.

An Interesting Addition

A door is ingeniously integrated into the cupboard system to enhance the comprehensive aesthetics. Open the door, you will discover another world.

Elegant & Delicate

Ai8 takes into account users' practical needs and makes sure clothes for different occasions can be well organized and stowed away at different zones.

Privacy meets Delicacy

Elegant outside, refined inside. Coded drawer enables fingerprint/password/key unlocking. The interior space is well-partitioned for storing jewelry, watch and papers. Ai8 is your most reliable security partner.

The scientifically-partitioned interior area makes your clothes, bags, waist belts, neckties and jewelry find the right fit. Every item can be well organized.

Refined Inside Out

The 1000mm pull-out rotating fitting mirror maximizes the use of space and the leather-wrapped aluminum-alloy clothing rod looks delicate. Combining odor purification, sterilization, insect-killing, and fragrance adding, sanitation assistant is naturally hidden in the cabinet, leaving bacteria and mites nowhere to hide.

Meeting Space

Magnificent look / Customized big screen / Guest reception

02

Steal the Spotlight

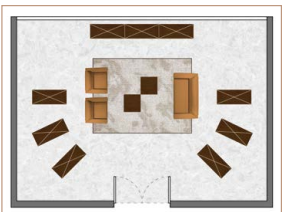

Your reception area is your business' first impression and Ai8 high-end customization system makes it a good one.

Instant *Connection*

A Peaceful Spot for Talking

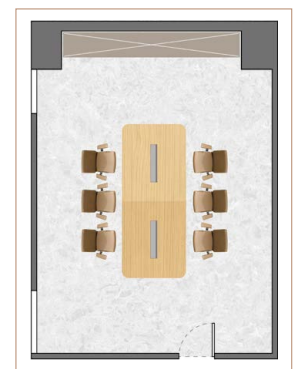

Floor-to-ceiling cabinet looks magnificent and orderly, creating a relaxing environment in which people can exchange ideas frankly.

Video Conferencing Anytime

Ai8 can be configured with a display screen or projection screen so that meetings can be carried out in a visualized and efficient manner.

Guided by Propriety

As we all know, drinking in China is an pervasive social ritual. Ai8 specially leaves an area for placing and displaying drinks to show respect for such culture.

Stand Upright between Ceiling and Ground

2.8m one-piece super-long door panel breaks the technical limitations of other products on the market. Steel bar straightener is embedded to maintain a straight posture at all times.

1.1-meter-long minimalist handle with rounded edges is comfortable to hold while the embedded light strip highlights the delicacy of your collection.

Tea room

Meet Friends with A Cup of Tea

In Chinese culture, tea is more than a linchpin of social customs. It is meant to act as a medium through which people could become closer to nature and to each other.

Leisure Public Space

A yardstick of quality / Work-relax balance / Free connectivity

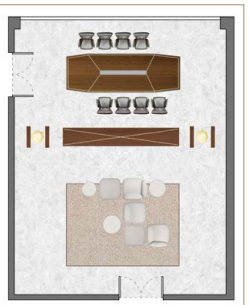

03

Say "No" to Burnout

The water bar is where overloaded workers could chill out and stay hydrated so that hopefully they can avoid burnout.

Exchange Your Ideas

Open-landscaped leisure talking area lets great minds meet and great ideas flow.

The Essence of Harmony

Ai8 system can seamlessly fit into surroundings as color of sofa strikes a chord with cupboard, creating a classical business environment.

Display & Collection Space

Taste the thrill of wine / Minimalist style / Collection display

04

A Wine with A Smile

There's a right wine out there for every meal or occasion as wine will make any occasion merry.

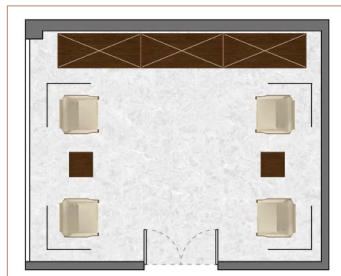

An Impressive Focal Point

Ai8 offers more than arresting good looks. It is designed to meet your storage and display needs in a very practical way.

Well-Cherished *Beauty*

Flexible shelf panels can be adjusted and customized according to the sizes of collections so that every piece of work can find the right fit.
